

Dear **EARTH** Elementals,

Thank you from the bottom of our hearts for your

Galactic Stardust

Which comes from all your

Worlds of Form

With its

Ancient Crystals,

Wise Old Stones,

Precious Metals,

Rank Soil &

Smearing Fossil Oil

Thank you from the bottom of our hearts our

Brothers & Sisters Trees

Gifting us with your

Sacred Forests &

Friendly Wood

So that we can built our

Homey Houses

Thank you from the bottom of our hearts dear

Thriving Plan(e)ts

Providing us with your

Soft Moss,

Connecting Fungi,

Green Grass,

Healthy Herbs,

Delicious Foods,

Juicy Fruits &

Colorful Vegetables

Thank you from the bottom of our hearts our

Brothers & Sisters Animals

We can learn so much unity from you dear

Cetacean Angels of the Oceans,

Awaken Wild Lions,

Singing Birds,

Mighty Cobras &

Busy Insects

Thank you from the bottom of our hearts for giving every thing material form dear Earth Elementals
by being our

**Flowing Earth-Gnomes,
Funny Dwarfs,
Helpful Bacteria,
Transporting Hormones,
Forming Genomes &
Building Atoms**

Thank you from the bottom of our hearts for forming the Vessel Planet Earth of

**Beloved Lady Gaia
With her
Wild Nature,
Beautiful Landscapes,
Majestic Mountains,
Quiet Deserts,
Virgin Glaciers,
Mysterious Caves,
Blossomy Green Highlands,
Windy Cliffs,
Ambrosial Gardens &
Dreamy Islands**

Which ever remind us for the Lemuria Paradise & those which are ahead of us

Thank you at last from the bottom of our hearts for our

**Wonderful High Tech Human Earth Vessels
Made from the same earth then
Beloved Planet Lady Gaia,
Dear Brothers & Sisters Animals,
Dear Brothers & Sisters Trees &
Dear Brothers & Sisters from the Stars of the Worlds of Form**

Beloved Earth-Gnomes, we love you unconditionally !

May you be with us by taking us from the separation of this world.
May we together take this planet from separation.
See you all on New Earth!

~ Merlinson ~
